

The Sydney Roosters Rugby League Club is regarded by many circles as the pinnacle of sports business and hosts the most influential board in Australian Sport.

The Sydney Roosters Business Club will provide a platform to gain insight into the inner workings of the club across all facets, touching on team culture, leadership, consumer insights, and high performance.

It aims to engage like-minded sports enthusiasts with the club and other members at a business level, to foster networking and key learning outcomes.

ELEMENTS

The structure of the Business Club will be heavily focused in two areas:

NETWORKING AND BUSINESS GROWTH

- Networking and key introductions are integral components of the Sydney Roosters Business Club.
- Our focus is to establish
 new business opportunities
 through personalized
 meetings and Club specific
 events for members.

INTELLECTUAL BUSINESS

- The Business Club will provide the opportunity to hear from, and interact with a number of club identities through targeted seminars relevant to your business and marketing trends.
- Members will have the opportunity to learn from market leaders and take their business workings to the next level.

EVENTS

- Two (2) invitations to the annual Business Club Launch
- One (1) invitation to the exclusive private viewing of Mark Bouris' Straight Talk' Podcast with a special guest
